NEW YORK, July 10, 2018 [/PRNewswire/](#) -- ABC, PEOPLE and Four M Studios will present "The Story of The Royals," a two-night, four-hour prime-time television event documenting the fascinating lives of the British royal family. Featuring an extraordinary panel of experts and voices, "The Story of The Royals: Part One" airs **WEDNESDAY, AUG. 22** (9:00-11:00 p.m. EDT), and "The Story of The Royals: Part Two" airs **THURSDAY, AUG. 23** (9:00-11:00 p.m. EDT), on The ABC Television Network.

"The Story of The Royals" will explore pivotal moments in the crown's history beginning with a simple question: How exactly did we get here? The multipart series captures the mystique of the monarchy through its many loves, losses, extravagances, challenges and charms. With Prince William and Kate's new royal baby and Prince Harry's recent marriage to Meghan Markle, the Windsors have truly begun to modernize and resemble a 21st-century family. "The Story of the Royals" will illustrate that evolution as well as examine the American obsession behind all things royal.
