

Parents Magazine Announces 10th Annual Best Children's Books List

2018 Winners Were Selected by Literacy Experts and 75 Kid Testers

NEW YORK, Oct. 2, 2018 /PRNewswire/ -- [Parents](#) magazine, one of the most trusted publications for parents and the leading voice for moms within the Meredith Parents Network, today announced the 15 winning titles for its 10th annual Best Children's Books List for newborns through middle schoolers. The selection process is unique: Literacy experts, including librarians and teachers, nominated more than 200 high-quality titles from the thousands released in 2018. Then 75 kid testers and their families read books in one or more of 15 categories, including best bedtime story and best book to give as a gift.

"From big belly laughs our young testers had looking at silly animals to the empathy our big-kid testers described feeling for struggling main characters, children connected emotionally to the winning titles," said Liz Vaccariello, Editor-in-Chief of Parents. "These books aren't one-time reads, and many will grow with your child and your family." Vaccariello also noted that she was impressed with the diversity of characters and authors reflected in the nominations—and ultimately the final list.
