LOS ANGELES, March 12, 2019 [/PRNewswire/](#) -- Bizrate Insights, a Meredith Corporation (NYSE: MDP; meredith.com) company and one of the largest sources of consumer-generated reviews of online retailers in the United States, announced the winners of its 19th annual Bizrate Circle of Excellence Award® today. The distinction recognizes retailers that received outstanding online customer satisfaction scores across a one-year period, determined by millions of verified online buyers.

134 retailers won the 2018 Bizrate Circle of Excellence Award® this year. Eligibility for the Circle of Excellence was determined by retailers' satisfaction scores for the award year being statistically significantly higher than the program average for eight Key Performance Indicators:

Point-of-Sale Metrics:

- Overall Satisfaction
- Product Selection
- Check-out
- Ease of Finding

Post-Order-Fulfillment Metrics:

- Repurchase Intent
- Product Met Expectations
- Customer Support and Satisfaction
- On-Time Delivery

Among the winners for 2018, 55 retailers earned the highest distinction, the Platinum Award. The Platinum Award designation is awarded to retailers that achieved the highest scores among members of the Circle of Excellence across all eight key satisfaction indicators.

"We're excited to welcome these 134 retailers to the 2018 Bizrate Circle of Excellence," said Scott Macon, President at Bizrate Insights. "These retailers' ongoing commitment to customer satisfaction has earned them top key performance scores, pushing the standard for excellent customer service in the industry higher each year."
