## Featuring Kate Hudson, Zooey Deschanel, Their Parents, and More - Debut Issue Available Nationwide on Friday

NEW YORK, Jan. 8, 2020 /PRNewswire/ -- Meredith Corporation (NYSE: MDP; [Meredith.com](https://www.Meredith.com)) — unveils the premier issue of its new quarterly magazine, *Reveal* with globally recognized lifestyle tastemakers Drew and Jonathan Scott. The Winter 2020 issue, available [online](#) and on nationwide newsstands this Friday, features home design and renovation ideas, life advice from top pros, celebs like Kate Hudson and Zooey Deschanel and Drew and Jonathan's parents, Jim and Joanne. The brothers' *reveal* their own personal stories and seek out expert advice on home, travel, wellness, sustainability, family and more.

"Our vision for Reveal from the beginning has been to share what lies beyond the front door, under the rug, and behind the curtains," said Drew. "We believe it all starts at home, and want to offer simple steps to get more out of home and life."

Adds Jonathan, "We'll highlight incredible design talent from the most unexpected places, and spotlight stories of everyday heroes we admire. We still get so excited right before we open the doors to reveal a family's new dream home and this magazine gives us that feeling, too."

Reveal features bold photography and a heavy paper stock, as well as premium advertising across categories from ADT, Arm & Hammer, B&G Foods, Delta, Kohler, Marvin, Tyson, and other premium marketers. With a set limit, advertising in the issue was sold out.

"We're excited to launch the new year with this empowering brand from the lively Scott brothers and get it into consumers' hands," said Doug Olson, President, Meredith Magazines. "The advertiser interest has been overwhelmingly positive, and we expect the consumers to be equally enthusiastic about the product."

The Winter 2020 issue celebrates the twin brothers' "dream big" philosophy on life, seen in numerous features:

- Kate Hudson welcomes *Reveal* into her colorful bar room and shares how she takes risks in all aspects of her life – from renovating a house to making a movie
- Zooey Deschanel opens up about the hilarious fail moment that unknowingly landed her in a beauty pageant
- Aspirational but attainable home renovations from coast to coast
- The guys' own advice for throwing an epic game night
