

Meredith Corporation and Apparel Bridge LLC Partner to Launch SHAPE® Active Collection for Women

NEW YORK, Jan. 26, 2016 /PRNewswire/ -- Meredith Corporation (NYSE:MDP; www.meredith.com), the leading media and marketing company serving 100 million unduplicated American women monthly and more than 60 percent of U.S. millennial women, announced today a brand licensing agreement with Apparel Bridge LLC for [SHAPE® Active](#), an activewear collection designed for women. This is the first licensing program announcement for the category-leading *SHAPE* brand, which was acquired by Meredith in January 2015.

"Our acquisition of *SHAPE* extends to all aspects of corporate growth, including licensing," says Elise Contarsy, Vice President of Meredith Brand Licensing. "We are excited to work with our partner Apparel Bridge to showcase the value of the *SHAPE* brand beyond print, and bring a line of athleisure clothing to women looking for the perfect combination of performance, comfort and fashion."

The moderately priced collections are now available at DicksSportingGoods.com, kohls.com, and Equinox gyms, with many additional retail partners expected, including Amazon.

"We are thrilled to be selected by the *SHAPE* team to bring fashion-forward and feminine activewear to the marketplace. Our vibrant pieces reflect the personality and style of the iconic *SHAPE* brand," says Sheena Mahtani, VP of Operations from Apparel Bridge.

The designs are grounded in high performance materials with features including DryFuze™ to wick moisture, and reflective or glow-in-the-dark treatments. Each piece is figure-flattering, with details such as a signature S-curve seaming in tops, jackets and bottoms.

"Blending active apparel and a media property is innovative and very exciting," says Andy Hilfiger from Star Branding, who facilitated the partnership. "Retailers need fresh brands, and *SHAPE Active*, which has both the performance and the fashion women want today, is positioned to deliver what retailers are looking for in this fast-growing apparel category."

The launch of *SHAPE Active* is just one of many programs announced by Meredith Brand Licensing in the past year, including the partnership between *EatingWell* and Bellisio Foods, Inc. on an *EatingWell* healthy frozen food product line. These launches build on Meredith's already successful licensing programs, such as partnerships between *Better Homes and Gardens* and Walmart, Realogy and FTD, and *Allrecipes'* partnership with Clipper Corporation on a line of cookware, bakeware and kitchen gadgets.

published 10 times a year with a rate base of 2.5 million and an audience of 27 million, reaching women across all platforms, including the 8.5 million users on Shape.com and Fitnessmagazine.com, and through award-winning consumer events and innovative brand extensions.
