

Travel + Leisure Releases The 14th Annual It List, An Editor-Curated Collection Of The Best Hotels In The World This Year

NEW YORK, Feb. 22, 2019 /PRNewswire/ -- Meredith Corporation's (NYSE:MDP, www.meredith.com) Travel + Leisure released its 14th annual It List, a selection of the best new and renovated hotels in the world. The list is on TravelandLeisure.com and in the March issue, available on newsstands today.

Each year, Travel + Leisure editors check in to hundreds of new hotels around the globe in search of the properties that offer a winning alchemy of setting, design, and service. The editors then collaborate with Travel + Leisure's global network of travel writers, contributors, and agents to narrow down the list.

"Hotels are a prominent part of the travel experience, which is why we devote an entire issue to this topic each year," said Jacqueline Gifford, Editor in Chief of Travel + Leisure. "With more than 70 hotels chosen, from a colorful escape in San Miguel de Allende, Mexico, to two safari resorts in Namibia, we're excited to share why these properties excite us, how they connect us to people, and the many ways they provide comfort when we're far from home."
