

PARENTS Names Best Apps for Kids in 2021

NEW YORK, Oct. 8, 2021 /PRNewswire/ -- Meredith Corporation's (NYSE: MDP) [PARENTS](#) released this year's list of Best Apps for Kids, a selection of 24 winners considered top learning apps of 2021. The list is available on [parents.com/bestapps](#) and in the November issue of PARENTS, available now.

"With the school season in full swing, this year's list of The Best Apps for Kids has options to keep all children entertained while learning, including apps for science, reading, exploring, and more," said Editor in Chief of PARENTS, Julia Edelstein.

For the second annual list of the Best Apps for Kids, PARENTS editors tapped teachers, screen-time experts, junior testers, and parents for their app picks that were deemed educational and engaging. A total of 24 winners were named based on the following criteria: ad-free, clear learning goals, and no in-app purchase offers for power-ups or characters.

The complete PARENTS' list of The Best Apps for Kids is listed below by category and on [parents.com/bestapps](#).
